Knights of Columbus

We are proud to announce that a new Knights of Columbus-produced documentary film on Divine Mercy begins airing across the country this Sunday on ABC-affiliated stations.

Narrated by actor Jim Caviezel, *The Face of Mercy* explores the history and relevance of Divine Mercy by exploring the powerful visions of a merciful God revealed to St. Faustina, the key role played by Pope John Paul II who propelled the message of Divine Mercy onto the world stage, and the Year of Mercy bestowed upon the Church by Pope Francis.

The airings are presented as part of ABC's Visions and Values Series and have a broadcast window from Oct. 16 to Dec. 16.

Filmed in stunning 4K and seamlessly weaving together theology and history with modern testimonials and visual effects, this stirring film creates a remarkable tapestry of what constitutes the face of mercy in our modern world.

For more information about the film, including broadcast times and the DVD release, visit faceofmercyfilm.com
