It is Christ who makes You Strong.*

Both Fr. Rick and John had everything the world offered.  
Until the day God showed them their nothingness,  
And set them free to live life to its fullest  
With Christ you can do everything.

*Ready for everything?*

**Fr. Rick Wendell:**

*By age 27, he had 15 employees, was building golf course homes, and living the life. At age 29 he was engaged. Then, a series of "injuries & incidents" led him along a path back to the Catholic Church. He tried to avoid how Christ was calling him—but gave in, said yes to being a priest and he's never looked back.*

**John Pridmore:**

*An ex-London gangster who thought he had everything: power, money, girls & drugs. Until he left a man for dead outside of a night club. That night, thinking he killed someone, something incredible happened and changed his life. Hundreds of thousands have been moved by how God has worked through his life.*
