LADIES: Join us for a summer book study

Colleen Carroll Campbell Author, journalist, and former speech-writer to George W. Bush, offers a touching memoir on family, loss, and career as filtered through the lives and writings of six women saints: Teresa of Ávila, Thérèse of Lisieux, Faustina of Poland, Edith Stein of Germany, Mother Teresa of Calcutta, and Mary of Nazareth.

Campbell writes about her college years, drifting in chaos; meeting her future husband; the illness and death of her father; and the long quest to attain motherhood. During this very personal journey, she also enrolls in a feminist-thought class, which leaves her cold, while her superficial friendships and relationships lead to a “nagging discontent.” Revisiting her Catholic upbringing, she turns to the saints for guidance and to help her reconcile a desire for a career with a yearning for marriage.

Julie Carrick

Mercy: Ordinary & Divine

Through music, witness and stories, Julie will present how we can receive and give mercy to others in our daily lives. Learn about Jesus and his Divine Mercy, how we receive it; how we are called to share it.

A very powerful Jubilee Year of Mercy event for all ages. Julie is not your typical recording artist. Her real life experiences are shared in her speaking & concert engagements. Julie has experienced some of the toughest things in life and because of her faith, has stayed the course with Christ. From serious struggles in marriage, losing 2 children through miscarriage, helping an adult daughter through a rape that resulted in pregnancy and most recently a Lung Cancer survivor, she knows what it means to 'live' her Catholic Faith. Though not always

Wish your child would RETURN to the Church?

“This book will serve as a true game changer for despairing parents everywhere. Every parent or grandparent with a fallen-away child needs to read this book.”
Bishop Robert Barron

If you’re a Catholic parent in the United States, chances are at least one of your children has drifted away from the Church and, at least right now, shows no signs of coming back. And it’s not just your family. This is an epidemic.

The wait-and-see game is no longer an option. We need to understand the culture and the reasons why our young people drift away. Then, once we understand the problem we need a game plan to bring them back.

Purchase for \$4.00 in Gathering Space.

Read and discover:

- Why they are leaving, where they are going
- Five Big myths about fallen-away Catholics **AND** Five mistakes that will keep them away
- Why you need to pray, fast and sacrifice **AND** How to plant the seeds for their return
- How to start the Conversation and move the dialogue forward
- How to address the top 20 personal, moral & theological objections

Join a Small Group *(if you want)*
