How would you like to Help at Vacation Bible School? PLEASE RANK: #1 BEING YOUR FIRST CHOICE)

_____ Crew Leader _____ Nursery _____ *Skits
 _____ Games _____ Support Staff _____ *Technology

I would also like to _____ **Decorate/Prepare before VBS** _____ **Walk kids to Lakeview BASP** _____ **Song Leader**

CREW LEADER: You will be with a group of 5-6 kids throughout the day: sit with them for the opening song & skit and help them at all centers: snacks, games, crafts, and story time. At the end of the morning you will bring them back to the large group for the closing songs.

NURSERY: You will remain in the childcare room to help with the babies and toddlers of moms who are volunteering at VBS. You will help some of the older toddlers with games and crafts. Your greatest job is to help entertain these young people by playing with them, reading to them, etc.

GAMES: You will remain in the game area and help as needed with setting up the materials for the games, help demonstrate how games are played and support the crews as they play the games.

SUPPORT STAFF: You will help with daily craft preparations, snack set-up and clean-up, helping with small group pictures, taking pictures during VBS, count the daily donations, help with opening & closing celebrations...be on a "go-to" team that helps with many projects & things each day.

SKITS: (*something NEW this year!) If you love entertaining others; we need your talents! Would you like to be on the team that does the opening & closing skits? Or on a team that does the skits in the Bible Story Room? Or would you like to lead the opening and closing music celebrations?

TECHNOLOGY: (*something NEW this year!) Do you like computers, making videos, taking pictures, making gadgets? We could use help with our opening/closing celebrations.
